NOTICE OF INFORMATION PRACTICES**

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

Delta Dental of Minnesota is required by law to maintain the privacy of your Protected Health Information, to provide you with this notice of its legal duties and privacy practices with respect to your Protected Health Information and to notify you following a breach of unsecured Protected Health Information. This notice is being issued to comply with the requirements of the Privacy Rules under the Health Insurance Portability and Accountability Act ("HIPAA Privacy Rules"). Individually identifiable information about your past, present or future health condition, the provision of health care to you, or payment for such health care is considered "Protected Health Information" ("PHI"). Health care includes dental care.

Our Permitted Uses and Disclosures of Your Protected Health Information

We use and disclose PHI about you without your authorization for treatment, payment, and health care operations.

Treatment: We may disclose PHI to your dentist(s) for treatment purposes. For example, your dentist may wish to provide a dental service to you but first seek information from us as to whether the service has been previously provided.

Payment: We use and disclose your PHI in order to fulfill our duty to provide your coverage, determine your benefits, and make payment for services provided to you. For example, we use and disclose your PHI in order to process your claims.

Health Care Operations: We use and disclose your PHI as a part of certain operations, such as quality improvement. For example, we may use and disclose your PHI to evaluate the quality of dental services that were performed or to check for fraud and abuse.

We may not, however, use or disclose any PHI that is considered genetic information under Federal Law for underwriting purposes.

We may be asked by the sponsor of your dental benefits to provide your PHI to the sponsor. We will do so if permitted by law.

Unless you object, we may disclose your PHI to a family member, other relative, person authorized by law, or any other person you identify as involved in your care or the payment related to your care. Only PHI relevant to that person's involvement in your care or the payment related to your care will be disclosed. You can restrict this disclosure at any time, subject to certain limitations. If you are incapacitated or in the event of an emergency, we will exercise professional judgment to determine whether a disclosure of this type is in your best interest.

We may also use or disclose your PHI without your authorization for several other reasons. Subject to certain requirements, we may use or disclose your PHI without your authorization for public health purposes, auditing purposes, research studies, and emergencies. We may disclose PHI in response to a court or administrative order, subpoena, discovery request or other lawful process if certain conditions are met and the required assurances are received. We provide PHI when otherwise required by law, such as for law enforcement purposes. We may disclose your PHI to public health or other appropriate authorities to lessen a serious or imminent threat to the health or safety of you or the public. In other situations not described here, we will ask for your written authorization before using or disclosing your PHI. If you choose to sign an authorization to allow disclosure of your PHI, you can later revoke that authorization to stop any future uses and disclosures (other than for treatment, payment and health care operations).

We reserve the right to change this notice at any time and for any reason. We reserve the right to make the revised or changed notice effective for PHI we currently maintain as well as any information received in the future. A copy of our most current notice will be posted at www.deltadentalmn.org.

Individual Rights

In most cases, you have the right to view or get a copy of your PHI which is held in a particular record set by us. You may request copies for a nominal per-page charge. You also have the right to receive a list of instances where we have disclosed your PHI without your written authorization for reasons other than treatment, payment or health care operations. If you believe that information in your record is incorrect or if important information is missing, you have the right to request that we correct the existing information or add the missing information.

You may request in writing that we not use or disclose your PHI for treatment, payment and health care operations except when specifically authorized by you, when required by law, or in emergency circumstances. We will consider your request but are not legally required to accept it. You also have the right to receive confidential communications of PHI by alternative means or at alternative locations, if you clearly state that disclosure of all or part of your PHI could endanger you. You also have the right to receive notice following an unauthorized access, use or disclosure of your PHI if that unauthorized access, use or disclosure is considered a "breach" as defined by the HIPAA Privacy Rules.

Complaints

If you are concerned that we have violated your privacy rights, or you disagree with a decision we have made about access to your records, you may contact the address listed below. You may also send a written complaint to the U.S. Department of Health and Human Services. The person listed below can provide you with the appropriate address upon request.

Our Legal Duty

We are required by law to protect the privacy of your information, provide this notice about our information practices, and follow the information practices that are described in this notice.

DESCRIPTION OF COVERED PROCEDURES

Pretreatment Estimate

(Estimate of Benefits)

IT IS A GOOD IDEA TO GET A PRETREATMENT ESTIMATE FOR YOUR DENTAL CARE THAT INVOLVES MAJOR RESTORATIVE, PERIODONTICS, PROSTHETICS OR ORTHODONTIC CARE. THE PRETREATMENT IS RECOMMENDED, BUT NOT REQUIRED FOR YOU TO RECEIVE BENEFITS FOR COVERED DENTAL CARE. THE PRETREATMENT ESTIMATE IS A VALUABLE TOOL FOR BOTH THE DENTIST AND YOU. SUBMISSION OF A PRETREATMENT ESTIMATE ALLOWS THE DENTIST AND YOU TO KNOW WHAT BENEFITS YOU HAVE AND IF THE TREATMENT IS COVERED. THE PRETREATMENT ESTIMATE OUTLINES WHAT YOU HAVE TO PAY TO THE DENTIST, SUCH AS CO-PAYMENTS AND DEDUCTIBLES. IT ALLOWS THE DENTIST AND YOU TO MAKE ANY NECESSARY FINANCIAL ARRANGEMENTS BEFORE YOUR TREATMENT BEGINS. THIS PROCESS DOES NOT PRIOR AUTHORIZE THE TREATMENT NOR DETERMINE ITS DENTAL OR MEDICAL NECESSITY. THE ESTIMATED PAYMENT IS BASED ON YOUR CURRENT ELIGIBILITY AND CONTRACT BENEFITS IN EFFECT AT THE TIME OF THE ESTIMATE. THIS IS AN ESTIMATE ONLY. FINAL PAYMENT WILL BE BASED ON THE CLAIM THAT IS SUBMITTED ONCE THE TREATMENT IS COMPLETED. SUBMISSION OF OTHER CLAIMS, A CHANGE IN ELIGIBILITY, A CHANGE IN YOUR COVERAGE OR OTHER COVERAGE YOU HAVE MAY ALTER THE PAYMENT AMOUNT.

After the exam, your dentist will tell you the dental treatment that should be given. If the dental treatment involves major restorative, periodontics, prosthetics or orthodontic care, the dentist should submit a claim form to the Plan for the proposed treatment. The Plan will review and determine if the treatment is covered and estimate the amount of payment.

A Pretreatment Estimate of Benefits statement will be sent to you and your dentist. You will be responsible to pay for any deductibles and coinsurance amounts. You will also be responsible to pay for any dental treatment that is not considered a covered service under the Plan.

Benefits

The Program covers the following dental procedures when they are performed by a licensed dentist and when necessary and customary as determined by the standards of generally accepted dental practice. The benefits under this Program shall be provided whether the dental procedures are performed by a duly licensed physician or a duly licensed dentist, if otherwise covered under this Program, provided that such dental procedures can be lawfully performed within the scope of a duly licensed dentist.

As a condition precedent to the approval of claim payments, the Plan shall be entitled to request and receive, to such extent as may be lawful, from any attending or examining dentist, or from hospitals in which a dentist's care is provided, such information and records relating to a Covered Person as may be required to pay claims. Also, the Plan may require that a Covered Person be examined by a dental consultant retained by the Plan in or near the Covered Person's place of residence. The Plan shall hold such information and records confidential.

TO AVOID ANY MISUNDERSTANDING OF BENEFIT PAYMENT AMOUNTS, ASK YOUR DENTIST ABOUT HIS OR HER NETWORK PARTICIPATION STATUS WITHIN YOUR DELTA DENTAL PPO AND DELTA DENTAL PREMIER NETWORKS PRIOR TO RECEIVING DENTAL CARE.

Delta Dental of Minnesota does not determine whether a service submitted for payment or benefit under this Plan is a dental procedure that is dentally necessary to treat a specific condition or restore dentition for an individual. Delta Dental evaluates dental procedures submitted to determine if the procedure is a covered benefit under your dental plan. Your dental Plan includes a preset schedule of dental services that are eligible for benefit by the Plan. Your dentist may recommend or prescribe other dental care services that are not covered, are cosmetic in nature,

or exceed the benefit frequencies of this plan. While these services may be necessary for your dental condition, they may not be covered by us. There may be an alternative dental care service available to you that is covered under your plan. These alternative services are called optional treatments. If an allowance for an optional treatment is available, you may apply this allowance to the initial dental care service prescribed by your dentist. You are responsible for any costs that exceed the allowance, in addition to any coinsurance or deductible you may have. Services that are not covered by the Plan or exceed the frequency of Plan benefits do not imply that the service is or is not dentally necessary to treat your specific dental condition. You are responsible for dental services that are not covered or benefited by the Plan. The decision as to what dental care treatment is best for you is solely between you and your dentist.

ONLY those services listed are covered. Deductibles and maximums are listed under the Summary of Dental Benefits. Services covered are subject to the limitations within the Benefits, Exclusions and Limitations sections described below. For estimates of covered services, please see the "Pretreatment Estimate" section of this booklet.

Delta Dental's right to conduct post payment review and its right of recovery exists even if a Pretreatment Estimate was submitted for the service.

- a) All eligible employees who have met the eligibility requirements as established by the Group and stated within this Dental Benefit Plan Summary under Effective Date of Coverage.
- b) Employees on Family and Medical Leave as mandated by the Federal FMLA.

Dependents

A) Spouse, meaning:

1. Married;
2. Legally separated;

B) Dependent children to the age of 26, including:

1. Natural-born and legally adopted children (including children placed with you for legal adoption).
NOTE: A child's placement for adoption terminates upon the termination of the legal obligation of total or partial support.
2. Stepchildren who reside with you.
3. Grandchildren who are financially dependent on and reside with the covered grandparent.
4. Children who are required to be covered by reason of a Qualified Medical Child Support Order. You can obtain, without charge, a copy of procedures governing Qualified Medical Child Support Orders ("QMCSOs") from the Plan Administrator.

 - they are primarily dependent upon you; and
 - are incapable of self-sustaining employment because of developmental delay, mental illness or mental disorder or physical disability.

NOTE: If both you and your spouse are employees of the employer, you may be covered as either an employee or as a dependent, but not both. Your eligible dependent children may be covered under either parent's coverage, but not both.

Effective Dates of Coverage

Eligible Employee:

You are eligible to be covered under this Program when the Program first became effective, January 1, 2015, or if you are a new employee of the Group, on the first (1st) of the month coinciding with or next following thirty (30) days.

Eligible Dependents:

Your eligible dependents, as defined, are covered under this Program:

- a) On the date you first become eligible for coverage, if dependent coverage is provided or elected.
- b) On the date you first acquire eligible dependents, or add dependent coverage subject to the open enrollment requirements of the Group, if any.
- c) On the date a new dependent is acquired if you are already carrying dependent coverage.

LIMITATION: Dependents of an eligible employee who are in active military service are not eligible for coverage under the Program.

Children may be added to the Program at the time the eligible employee originally becomes effective or may be added anytime up to 30 days following the child's 3rd birthday. If a child is born or adopted after the employee's original effective date, such child may be added anytime between birth (or date of adoption) and 30 days following the child's 3rd birthday. In the event that the child is not added by 30 days following their 3rd birthday, that child may be added only if there is a Family Status Change or at the next Open Enrollment period, if any.

The eligibility of all Covered Persons, for the purposes of receiving benefits under the Program, shall, at all times, be contingent upon the applicable monthly payment having been made for such Covered Person by the Group on a current basis.

Open Enrollment

The Open Enrollment under this Contract shall be held annually.

Family Status Change

Your benefit elections are intended to remain the same for the entire Coverage Year. During the Coverage Year, you will be allowed to change your benefits only if you experience an eligible Family Status Change which includes:

- Change in legal marital status such as marriage or divorce.
- Change in number of dependents in the event of birth, adoption, placement for adoption or death.
- Change in your or your spouse's employment - either starting or losing a job.
- Change in your or your spouse's work schedule, such as going from full-time to part-time or part-time to full-time, or beginning or ending an unpaid leave of absence.
- Change in dependent status, such as if a child reaches maximum age under the Plan.
- Change in residence or work location so you are no longer eligible for your current health plan.
- Become eligible for Medicare, Medicaid or Children's Health Insurance Program (CHIP) coverage.
- Termination of Medicare, Medicaid or Children's Health Insurance Program (CHIP) coverage because you or your dependents are no longer eligible.
- Loss of other coverage.

Due to federal regulations, the changes you make to your benefits must be consistent with the Family Status Change event that you experience. For example, if you have a baby, it is consistent to add your newborn to your current dental coverage but it is not consistent to drop your dental coverage altogether.

If you experience one of the above eligible Family Status Changes during the year, you have 31 days (except in the case of qualification for or termination of employment assistance under Medicaid/CHIP, in which case the employee has 60 days after the date of eligibility) from the event to change your elections. If you do not change your benefits within 31 days of the event, you will not be allowed to make changes until the next Open Enrollment period. You may obtain a Family Status Change Form by contacting your Employer. All changes are effective the date of the change.

The Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA)

Continuation of Benefits: Covered employees who are absent due to service in the uniformed services and/or their covered dependents may continue coverage under USERRA for up to 24 months after the date the covered employee is first absent due to uniformed service duty. To continue coverage under USERRA, covered employees and/or their dependents should contact their Employer.

Eligibility: A covered employee is eligible for continuation under USERRA if he or she is absent from employment because of service in the uniformed services as defined in USERRA. This includes voluntary or involuntary performance of duty in the Armed Forces, Army National Guard, Air National Guard or the commissioned corps of the Public Health Service. Duty includes absence for active duty, active duty for training, initial active duty for training, inactive duty training and for the purpose of an examination to determine fitness for duty.

Covered employees and dependents who have coverage under the Plan immediately prior to the date of the covered employee's covered absence are eligible to elect continuation under USERRA.

Contribution Payment: If continuation of Plan coverage is elected under USERRA, the covered employee or covered dependent is responsible for payment of the applicable cost of COBRA coverage. If, however, the covered employee is absent for not longer than 31 calendar days, the cost will be the amount the covered employee would otherwise pay for coverage (at employee rates). For absences exceeding 31 calendar days, the cost may be up to 102% of the cost of coverage under the Plan. This includes the covered employee's share and any portion previously paid by the Employer.

Duration of Coverage: Elected continuation coverage under USERRA will continue until the earlier of:

- 24 months, beginning the first day of absence from employment due to service in the uniformed services;
- the day after the covered employee fails to apply for or return to employment as required by USERRA, after completion of a period of service;
- the early termination of USERRA continuation coverage due to the covered employee's court-martial or dishonorable discharge from the uniformed services; or
- the date on which this Plan is terminated so that the covered employee loses coverage.

Covered employees should contact their Employer with any questions regarding continuation coverage and notify the Employer of any changes in marital status or a change of address.

Reemployment: An individual whose coverage under the Plan was terminated by reason of service in the uniformed services and who did not continue coverage during leave must, nevertheless, be entitled to reinstatement of coverage upon reemployment.

Termination of Coverage

Your coverage and that of your eligible dependents ceases on the earliest of the following dates:

- a) The end of the month in which (1) you cease to be eligible; (2) your dependent is no longer eligible as a dependent under the Program.
- b) On the date the Program is terminated.
- c) On the date the Group terminates the Program by failure to pay the required Group Subscriber payments, except as a result of inadvertent error.

For extended eligibility, see Continuation of Coverage.

The Group or Plan Sponsor reserves the right to terminate the Plan, in whole or in part, at any time (subject to applicable collective bargaining agreements). Termination of the Plan will result in loss of benefits for all covered persons. If the Plan is terminated, the rights of the Plan Participants are limited to covered expenses incurred before termination.

Continuation of Coverage

Dental benefits may be continued should any of the following events (called Qualifying Events) occur, provided that at the time of occurrence this Program remains in effect and you or your spouse or your dependent child is a Covered Person under this Program.

Employment ends, retirement, leave of absence, lay-off, or a reduction in hours that causes the employee to become ineligible(except gross misconduct dismissal)	Employee and dependents	Earliest of: 1. 18 months, or 2. Enrollment in other group coverage. 3. Date coverage would otherwise end.

Surviving Dependents of retiree on lifetime continuation due to the bankruptcy of the employer	Surviving Spouse and dependents	Earliest of: 1. 36 months following retiree's death, or 2. Enrollment date in other group coverage.

You or your eligible dependents have 60 days from the date you lose coverage, due to one of the events described above, to inform the Group that you wish to continue coverage; except that, in the case of death of an eligible employee, such notification period to continue coverage shall be 90 days.

1. Choosing Continuation

If you lose coverage, due to a termination of employment (except if the termination is for gross misconduct), retirement, leave of absence, lay-off, or reduction in hours, your employer should notify you of the option to continue coverage within 10 days after your loss of coverage. You or your covered dependents must notify your employer of divorce, legal separation, or any other change in dependent status within 60 days of the event.

You or your covered dependents must choose to continue coverage by completing, in writing, the election notice that your employer sends to you. You or your covered dependents have 60 days to choose to continue, starting with the date of the notice of continuation or the date coverage ended, whichever is later. Failure to choose continuation within the required time period will make you or your covered dependents ineligible to choose continuation at a later date. You or your covered dependents have 45 days from the date of choosing continuation to pay the first continuation charges. After this initial grace period, you or your covered dependents must pay charges monthly in advance to the employer to maintain coverage in force.

Charges for continuation are the group rate plus a two percent administration fee. All charges are paid directly to your employer. If you or your covered dependents are totally disabled, charges for continuation are the group rate plus a two percent administration fee for the first 18 months. For months 19 through 29, the employer may charge the group rate plus a 50 percent administration fee.

2. Second qualifying event

If a second qualifying event occurs during continuation, a dependent qualified beneficiary may be entitled to election rights of their own and an extended continuation period. This rule only applies when the initial qualifying event for continuation is the employee's termination of employment, retirement, leave of absence, layoff, or reduction of hours.

When a second qualifying event occurs such as the death of the former covered employee, the dependent must notify the employer of the second event within 30 days after it occurs in order to continue coverage. In no event will the first and second period of continuation extend beyond the earlier of the date coverage would otherwise terminate or 36 months.

A qualified beneficiary is any individual covered under the health plan the day before the qualified event as well as a child who is born or placed for adoption with the covered employee during the period of continuation coverage.

3. Terminating Continuation of Coverage

Continuation of Coverage for you and your eligible dependents, if selected, shall terminate on the last day of the month in which any of the following events first occur:

- a) The expiration of the specified period of time for which Continuation of Coverage can be maintained; as mandated by applicable State or Federal law;
- b) This Program is terminated by the Group Subscriber;
- c) The Group Subscriber's or Covered Person's failure to make the payment for the Covered Person's Continuation of Coverage

Questions regarding Continuation of Coverage should be directed to your employer. Your employer will explain the regulations, qualifications and procedures required when you continue coverage.

PLAN PAYMENTS

Participating Dentist Network

A Delta Dental Premier dentist is a dentist who has signed a participating and membership agreement with his/her local Delta Dental Plan. The dentist has agreed to accept Delta Dental's Maximum Amount Payable as payment in full for covered dental care. Delta Dental's Maximum Amount Payable is a schedule of fixed dollar maximums established solely by Delta Dental for dental services provided by a licensed dentist who is a participating dentist. You will be responsible for any applicable deductible and coinsurance amounts listed in the Summary of Dental Benefits section. A Delta Dental Premier dentist has agreed not to bill more than Delta Dental's allowable charge. A Delta Dental Premier dentist has also agreed to file the claim directly with Delta Dental.

A Delta Dental PPO network dentist is a dentist who has signed Delta Dental PPO agreement with Delta Dental of Minnesota. The dentist has agreed to accept the Delta Dental PPO Maximum Amount Payable as payment in full for covered dental care. You will be responsible for any applicable deductible and coinsurance amounts listed in the Summary of Dental Benefits section. A Delta Dental PPO dentist has agreed not to bill more than the Delta Dental PPO Maximum Amount Payable. A Delta Dental PPO dentist has also agreed to file the claim directly with Delta Dental.

Names of Participating Dentists can be obtained, upon request, by calling Delta, or from the Plan's internet web site at www.deltadentalmn.org. Refer to the General Information section of this booklet for detailed information on how to locate a participating provider using the Plan's internet web site.

Covered Fees

Under this Program, YOU ARE FREE TO GO TO THE DENTIST OF YOUR CHOICE. You may have additional out-of-pocket costs if your dentist is not a Delta Dental PPO or Delta Dental Premier dentist with the plan. There may also be a difference in the payment amount if your dentist is not a participating dentist with Delta. This payment difference could result in some financial liability to you. The amount is dependent on the nonparticipating dentist's charges in relation to the Table of Allowances determined by Delta.

TO AVOID ANY MISUNDERSTANDING OF BENEFIT PAYMENT AMOUNTS, ASK YOUR DENTIST ABOUT HIS OR HER NETWORK PARTICIPATION STATUS WITHIN THE DELTA DENTAL PPO AND DELTA DENTAL PREMIER NETWORKS PRIOR TO RECEIVING DENTAL CARE.

Notice of Claim

Written notice of claim must be given to Delta Dental within 20 days after the occurrence or commencement of any loss covered by the Policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the Policyholder or the beneficiary shall be presented to Delta Dental at PO Box 59238, Minneapolis, MN 55459.

Claim Forms

Delta Dental, upon receipt of a notice of claim, will furnish to you such forms as are usually furnished for filing proofs of loss. If we do not give you these forms within 15 days after you have filed your notice of claim, you shall be deemed to have complied with the requirements of this policy.

Claim Payments

PAYMENTS ARE MADE BY THE PLAN ONLY WHEN THE COVERED DENTAL PROCEDURES HAVE BEEN COMPLETED. THE PLAN MAY REQUIRE ADDITIONAL INFORMATION FROM YOU OR YOUR PROVIDER BEFORE A CLAIM CAN BE CONSIDERED COMPLETE AND READY FOR PROCESSING. IN ORDER TO PROPERLY PROCESS A CLAIM, THE PLAN MAY BE REQUIRED TO ADD AN ADMINISTRATIVE POLICY LINE TO THE CLAIM. DUPLICATE CLAIMS PREVIOUSLY PROCESSED WILL BE DENIED.

ANY BENEFITS PAYABLE UNDER THIS PLAN ARE NOT ASSIGNABLE BY ANY COVERED PERSON OR ANY ELIGIBLE DEPENDENT OF ANY COVERED PERSON.

Delta Dental Premier Dentists:

Claim payments are based on the Plan's Payment Obligation which is the highest fee amount Delta Dental approves for dental services provided by a Delta Dental Premier dentist to a Delta Dental covered patient. The Plan Payment Obligation for Delta Dental Premier dentists is the lesser of: (1) The fee pre-filed by the dentist with their Delta Dental organization; (2) The Maximum Amount Payable as determined by Delta Dental; (3) The fee charged or accepted as payment in full by the Delta Dental Premier dentist regardless of the amount charged. All Plan Payment Obligations are determined prior to the calculation of any patient co-payments and deductibles as provided under the patient's Delta Dental program.

Delta Dental PPO Dentists:

Claim payments are based on the Plan's Payment Obligation which is the highest fee amount Delta Dental approves for dental services provided by a Delta Dental PPO dentist to a Delta Dental covered patient. The Plan Payment Obligation for Delta Dental PPO dentists is the lesser of: (1) The fee pre-filed by the dentist with their Delta Dental organization; (2) The Delta Dental PPO Maximum Amount Payable as determined by Delta Dental; (3) The fee charged or accepted as payment in full by the Delta Dental PPO dentist regardless of the amount charged. All Plan Payment Obligations are determined prior to the calculation of any patient co-payments and deductibles as provided under the patient's Delta Dental program.

Nonparticipating Dentists:

Claim payments are based on the Plan's Payment Obligation, which for nonparticipating dentists is the treating dentist's submitted charge or the Table of Allowances established solely by Delta Dental, whichever is less. The Table of Allowances is a schedule of fixed dollar maximums established by Delta Dental for services rendered by a licensed dentist who is a nonparticipating dentist. Claim payments are sent directly to the Covered Person.

THE COVERED PERSON IS RESPONSIBLE FOR ALL TREATMENT CHARGES MADE BY THE NONPARTICIPATING DENTIST. WHEN SERVICES ARE OBTAINED FROM A NONPARTICIPATING PROVIDER, ANY BENEFITS PAYABLE UNDER THE GROUP CONTRACT ARE PAID DIRECTLY TO THE COVERED PERSON.

Coordination of Benefits (COB)

If you or your dependents are eligible for dental benefits under this Program and under another dental program, benefits will be coordinated so that no more than 100% of the Plan Payment Obligation is paid jointly by the programs. The Plan Payment Obligation is determined prior to calculating all percentages, deductibles and benefit maximums.

The Coordination of Benefits provision determines which program has the primary responsibility for providing the first payment on a claim. In establishing the order, the program covering the patient as an employee has the primary responsibility for providing benefits before the program covering the patient as a dependent. If the patient is a dependent child, the program with the parent whose month and day of birth falls earlier in the calendar year has the primary payment responsibility. If both parents should have the same birth date, the program in effect the longest has the primary payment responsibility. If the other program does not have a Coordination of Benefits provision, that program most generally has the primary payment responsibility.

NOTE: When Coordination of Benefits applies for dependent children, provide your dentist with the birth dates of both parents.

Time of Payment of Claim

Any benefits due under this Policy for any loss other than loss for which this Policy provides periodic payment will be paid immediately upon receipt of due written proof of such loss.

Claim and Appeal Procedures

Proof of Loss

All claims should be submitted within 12 months of the date of service. If you do not submit a claim within the time required, it will not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time. You must submit your proof as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

Initial Claim Determinations

An initial benefit determination on your claim will be made within 30 days after receipt of your claim. You will receive a written notice of this benefit determination. The 30-day period may be extended for an additional 15 days if the claim determination is delayed for reasons beyond our control. In that case, we will notify you prior to the end of the initial 30-day period. We will tell you the reasons we require an extension and the date by which we expect to make a decision. If the extension is needed for us to get additional information from you, the notice will describe the specific information we need. You will have 45 days from the receipt of the notice to provide us with the information. Without complete information, your claim will be denied.

Appeals

In the event that we deny a claim in whole or in part, you have a right to a full and fair review. Your request to review a claim must be in writing and submitted to us within 180 days from the claim denial. We will make a benefit determination within 60 days following receipt of your appeal.

Your appeal must include your name, your identification number, group number, claim number, and dentist's name as shown on the Explanation of Benefits. Send your appeal to:

Delta Dental of Minnesota
Attention: Appeals Unit
PO Box 551
Minneapolis, MN 55440-0551

You may submit written comments, documents, or other information that you feel supports your appeal. Upon request, you will also be given reasonable access to and copies of all relevant records that are used in making the decision. These records will be given to you at no charge. The review will take into account all information about the denied or reduced claim, even if the information was not present or available at the time of the initial determination. In this review, the initial determination of the claim will not be given any weight.

The review will be done by someone different from the original decision-makers and will not take into consideration any prior decisions made in your claim. Because all decisions are based on a preset schedule of dental services that are covered by your plan, claims are not reviewed to determine dental necessity or appropriateness. If we need to consult a professional to determine if a service is covered under your plan's schedule of benefits, we will consult with a dental professional who has appropriate training and experience. This professional will not be the same person who was involved in the initial adverse benefit determination (nor a subordinate of any such person). We will identify any dental professional whose advice was obtained on our behalf, even if the advice was not used in making the benefit determination. If, after review, we continue to deny the claim, you will be notified in writing.

Authorized Representative

You may authorize another person to represent you and with whom you want us to communicate regarding specific claims or an appeal. However, no authorization is required for your treating dentist to make a claim or appeal on your behalf. The authorization form must be in writing, signed by you, and include all the information required in our Authorized Representative form. This form is available at our web site or by calling Customer Service. You can revoke the authorized representative at any time, and you can authorize only one person as your representative at a time.

External review

If you consider Delta Dental's decision to be partially or wholly adverse to you, you have a right to submit a written request for external review to the Commissioner of Commerce at:

External Review Process
State of Minnesota Department of Commerce
85 7th Place East Street
St. Paul, MN 55101
(651) 539-1600 or 1-800-657-3602

An independent entity contracted with the State will review your request. The independent entity is impartial, separate from and has no affiliation with Delta Dental. The external review decision will not be binding on you but will be binding on Delta Dental. Contact the Commissioner of Commerce above for more information about the external review process or to file a request for a review.

GENERAL INFORMATION

Health Plan Issuer Involvement

Delta Dental is the health plan issuer involved with the Plan. It's address is stated on the back cover of this booklet. The benefits under the Plan are guaranteed by Delta Dental under the Contract (for insured plans).

Other than eligibility determinations, which are made by the Plan Sponsor, Delta Dental of Minnesota has the sole authority, discretion and responsibility to interpret and apply the terms of this Program and to determine all factual and legal questions under the Program, including the amount of benefits to be paid under the insurance contract, if any.

Privacy Notice

Delta Dental of Minnesota will not disclose non-public personal financial or health information concerning persons covered under this dental benefit Program to non-affiliated third parties except as permitted by law or required to adjudicate claims submitted for dental services provided to persons covered under this dental benefit Program.

How to Find a Participating Dentist

A real-time listing of participating dentists is available in an interactive directory at the Plan's user friendly web site, www.deltadentalmn.org. The Plan highly recommends use of the web site for the most accurate network information. Go to <http://www.deltadentalmn.org/findADentist> and enter your zip code, city or state to find local participating dentists. You can also search by dentist or clinic name. The Web site also allows you to print out a map directing you to the dental office you select. **The Dentist Search is an accurate and up-to-date way to obtain information on participating dentists.**

To search for and verify the status of participating providers, select "Dentist Search" on the www.deltadentalmn.org home page. Select the Product or Network in the drop-down menu, and search by city and state, zip code or provider or clinic name. If your dentist does not participate in the network, you may continue to use that dentist, although you will share more of the cost of your care and could be responsible for dental charges up to the dentist's full billed amount.

If you do not have Internet access, other options are available to find a network dentist or verify that your current dentist is in the network.

- When you call to make a dental appointment, always verify the dentist is a participating dentist. **Be sure to specifically state that your employer is providing the Dental program.**
- Contact our Customer Service Center at: (651) 406-5901 or (800) 448-3815. Customer Service hours are 7 a.m. to 7 p.m., Monday through Friday, Central Standard Time.

Using Your Dental Program

Dentists who participate with Delta under this Program are independent contractors. The relationship between you and the participating dentist you select to provide your dental services is strictly that of provider and patient. Delta cannot and does not make any representations as to the quality of treatment outcomes of individual dentists, nor recommends that a particular dentist be consulted for professional care.

All claims should be submitted within 12 months of the date of service.

If your dentist is a participating dentist, the claim form will be available at the dentist's office.

If your dentist is nonparticipating, claim forms are available by calling:

Delta Dental of Minnesota National Dedicated Service Center - (651) 406-5901 or (800) 448-3815

The Plan also accepts the standard American Dental Association (ADA) claim form used by most dentists.

The dental office will file the claim form with the Plan; however, you may be required to assist in completing the patient information portion on the form (Items 1 through 14).

During your first dental appointment, it is very important to advise your dentist of the following information:

- * YOUR DELTA GROUP NUMBER
- * YOUR EMPLOYER (GROUP NAME)
- * YOUR IDENTIFICATION NUMBER (your dependents must use **YOUR** identification number)
- * YOUR BIRTHDAY AND THE BIRTH DATES OF YOUR SPOUSE AND DEPENDENT CHILDREN

Cancellation and Renewal

The Program may be canceled by the Plan only on an anniversary date of the Group Dental Plan Contract, or at any time the Group fails to make the required payments or meet the terms of the Contract.

Upon cancellation of the Program, Covered Persons of the Group have no right to continue coverage under the Program or convert to an individual dental coverage contract.

**NOTICE CONCERNING POLICYHOLDER RIGHTS IN AN
INSOLVENCY UNDER THE MINNESOTA LIFE AND HEALTH
INSURANCE GUARANTY ASSOCIATION LAW**

If the insurer that issued your life, annuity, or health insurance policy becomes impaired or insolvent, you are entitled to compensation for your policy from the assets of that insurer. The amount you recover will depend on the financial condition of the insurer.

In addition, residents of Minnesota who purchase life insurance, annuities, or health insurance from insurance companies authorized to do business in Minnesota are protected, SUBJECT TO LIMITS AND EXCLUSIONS, in the event the insurer becomes financially impaired or insolvent. This protection is provided by the Minnesota Life and Health Insurance Guaranty Association.

Minnesota Life and Health Insurance Guaranty Association
4760 White Bear Parkway, Suite 101
White Bear Lake, MN 55110
(651)407-3149

The maximum amount the guaranty association will pay for all policies issued on one life by the same insurer is limited to \$500,000. Subject to this \$500,000 limit, the guaranty association will pay up to \$500,000 in life insurance death benefits, \$130,000 in net cash surrender and net cash withdrawal values for life insurance, \$500,000 in health insurance benefits, including any net cash surrender and net cash withdrawal values, \$250,000 in annuity net cash surrender and net cash withdrawal values, \$410,000 in present value of annuity benefits for annuities which are part of a structured settlement or for annuities in regard to which periodic annuity benefits, for a period of not less than the annuitant's lifetime or for a period certain of not less than ten years, have begun to be paid on or before the date of impairment or insolvency, or if no coverage limit has been specified for a covered policy or benefit, the coverage limit shall be \$500,000 in present value. Unallocated annuity contracts issued to retirement plans, other than defined benefit plans, established under section 401, 403(b), or 457 of the Internal Revenue Code of 1986, as amended through December 31, 1992, are covered up to \$250,000 in net cash surrender and net cash withdrawal values, for Minnesota residents covered by the plan provided, however, that the association shall not be responsible for more than \$10,000,000 in claims from all Minnesota residents covered by the plan. If total claims exceed \$10,000,000, the \$10,000,000 shall be prorated among all claimants. These are the maximum claim amounts. Coverage by the guaranty association is also subject to other substantial limitations and exclusions and requires continued residency in Minnesota. If your claim exceeds the guaranty association's limits, you may still recover a part or all of that amount from the proceeds of the liquidation of the insolvent insurer, if any exist. Funds to pay claims may not be immediately available. The guaranty association assesses insurers licensed to sell life and health insurance in Minnesota after the insolvency occurs. Claims are paid from this assessment.

THE COVERAGE PROVIDED BY THE GUARANTY ASSOCIATION IS NOT A SUBSTITUTE FOR USING CARE IN SELECTING INSURANCE COMPANIES THAT ARE WELL MANAGED AND FINANCIALLY STABLE. IN SELECTING AN INSURANCE COMPANY OR POLICY, YOU SHOULD NOT RELY ON COVERAGE BY THE GUARANTY ASSOCIATION.

THIS NOTICE IS REQUIRED BY MINNESOTA STATE LAW TO ADVISE POLICYHOLDERS OF LIFE, ANNUITY, OR HEALTH INSURANCE POLICIES OF THEIR RIGHTS IN THE EVENT THEIR INSURANCE CARRIER BECOMES FINANCIALLY INSOLVENT. THIS NOTICE IN NO WAY IMPLIES THAT THE COMPANY CURRENTLY HAS ANY TYPE OF FINANCIAL PROBLEMS. ALL LIFE, ANNUITY, AND HEALTH INSURANCE POLICIES ARE REQUIRED TO PROVIDE THIS NOTICE.
